Irwindale Raceway

500 Speedway Dr, Irwindale, CA 91706

IG-@antique_nationals / www.FourEverFour.com

Racing is open to all 1959 and earlier vehicles and motorcycles.

All Race Entries must pass tech inspection which requires to meet NHRA track Street Legal rules; Seat Belts, Helmets, Long Pants and Shoes, Radiator overflow catch cans, and double Spring Returns on throttles are minimum Street Legal/Track Rules.

All open cars are required to have arm restraints. Open cars running 13.49 seconds or quicker are required to have an approved roll bar. All Cars running 10.99 seconds or quicker and faster than 135 MPH are required to have NHRA approved Roll Cage. Specialty Vehicles such as Vintage Dragsters can refer to NHRA rule book for Nostalgia Dragster, and/or general rules section 4. Please call and/or submit photos for reference if you are concerned about your entry passing tech inspection. This is a fun event to bring out cars that usually cannot race in faster classes or events. But the track tech staff still has to fit our cars into their NHRA rulebook for insurance and liability reasons.
